Required vaccines for cats are Rabies (At least every 36 months), FVRCP (Every 12 months) and Leukemia (Every 12 months). In order to board your pet, you must show documentation from a licensed veterinarian that verifies all vaccinations are current. If any vaccinations are past due, your pet(s) must be vaccinated prior to the first visit for his/her protection, as well as for the protection of others. Fees for vaccines administered at this facility will be added to your bill. All puppies/kittens must have completed their first full set of vaccinations in order to stay.
2. **Parasites:** All pets must be free from external (e.g. fleas, ticks) and internal parasites (e.g. hookworms, roundworms). At our discretion, if internal or external parasites are found the cost of treatment will be added to your bill.
3. **Diet:** We routinely feed a premium maintenance dry food appropriate for the age and species of your pet. Prescription diets or canned maintenance diets are available and will be added to your bill at retail cost unless provided by you. There will be a charge of \$3 per day, per animal for the use of house food. We will provide the type of food we deem appropriate for your pet. To help ensure your pet avoids an upset stomach, we recommend you provide your pet's standard food of choice. You will be charged retail price for food requested above/beyond our house food. If you are providing a diet from home or request specific instructions, please note here: _____
4. **Medication:** We will administer any basic required medications to your pet(s) at no additional charge. Special or non-standard medication methods may incur a fee for administration. Only medication prescribed by a licensed veterinarian and appropriately labeled will be given. If medications need to be filled or refilled, the charges will be added to your bill. Pets requiring extensive medical monitoring or treatment will be hospitalized by our veterinary care provider and will be charged for hospitalization in addition to any and all other fees incurred.

8. SOCO Pet Lounge cannot guarantee the health of any animal, but pledges to give appropriate care to all pets. Pets will be housed in a group setting around other animals, both indoors and/or outdoors, which can sometimes lead to injuries and/or spreading of illnesses. **Note:** Some medical problems may not be evident in a kennel environment.
9. If, in SOCO Pet Lounge's judgment, your pet should require medical care, you agree to be solely responsible for the payment of all medical bills for your pet and you release SOCO Pet Lounge, its officers, directors, agents, affiliates and employees ("SOCO Pet Lounge") from any and all responsibility for, or claims, damages and/or debts, arising out of such medical care, including, but not limited to, transportation to and from the veterinarian facility/hospital. We will attempt to contact you to notify you of your pet's status. However, should the condition be deemed life threatening, of contagious nature, of a nature that will worsen without treatment, or of a dangerous nature, supportive treatment will be performed by our veterinary care provider and the charges will be added to your bill.
10. SOCO Pet Lounge reserves the right to immediately change your pet's Boarding and/or Daycare type, holding unit, activities, etc. if we determine it is in our best interests or necessary to provide or protect the well-being of our other animals or staff.
11. Grooming preferences and styles vary by client and region. Our professional staff will work with you to understand your needs, but we cannot always guarantee specific results due to the varied nature of each animal. If you are unsatisfied with your pet's groom, please notify us immediately (within 48 hours) so that we can work to meet your needs by adjusting the groom. Payment is not contingent on specific results and some pre-existing conditions may require changes to the groom.
12. We try to be as flexible as possible regarding reservation changes; however, failure to cancel your

reservation at least 24 hours prior to your check-in date will result in a fee of one nights boarding. Additionally, a credit card number will be required to secure your reservation for peak times, like holidays, which require 48 hours prior notice to cancel reservations. These include the day before, day of and day after Memorial Day, July 4th, Labor Day, Thanksgiving, Christmas, New Years Eve. The greatest of 50% of the reservation or one nights boarding will be charged for failure to give at least 48 hours notice of cancellation on these holidays. Failure to pay late cancellation fees may prohibit future visits with us.

13. We may require you to pre-pay for a portion of your reservation for long stays (to be determined at time of reservation). Please consult with a staff member prior to any long stay.
14. Pet owner understands that SOCO Pet Lounge's liability, in any circumstance related to the animal, shall in no event exceed the current chattel value of an animal of the same breed as the animal in our care.
